Indiana Youth and Government Miami County YMCA

The Indiana YMCA Youth and Government Program is an exciting opportunity for youth to step into shoes of the individuals who run our State Government! This program provides students in grades 6-12 the opportunity to study and debate public issues, learn the different parts of our state government, and participate in events that shape growth, public speaking skills, social skills, leadership skills, and more!!!

What is Indiana Youth and Government?

INYaG is a teen club that's run across our state that helps students to:

- Learn about our Indiana government
- Research, study, and write bills on public issues
- Interact with adult mentors, leaders, and other students
